## Step 2: Receive your Badge / Check to see if any clearances have expired or if you are turning 18 this year (FBI Background Check Required for 18 or older)

Please note, if you were born anytime in 2001 you will need FBI background check to certify for 2019. No Exceptions.

If any of your background checks have the year 2014, you must obtain the appropriate new clearance for 2019 BEFORE we can approve your recertification.

**Send a Stamped Self-Addressed Envelope to Peggy Neason so that she can send you your badge.**
